New Pin-Up Perfect Products Support "Starlets"

Vancouver, BC, April 12, 2007 – **Elizabeth Yap-Chung, President of Bombshell Bargains**, is pleased to announce an exciting new addition to the incredibly popular Bombshell Bath & Body collection. Deliciously scented "Starlet" comes in Bath & Shower Bubbles, Hand & Body Lotion and a Bath Fizz. \$1.00 from every Starlet product sold will be donated to Vancouver charity The Cinderella Project.

The Cinderella Project provides underprivileged high school graduates from the Greater Vancouver area with formal attire so they can attend their graduation festivities with pride. Elizabeth comments, "Bombshell Bargains is very proud to be a sponsor of this charity that makes a huge impact on high-school students' lives. We named our newest product "Starlet" with The Cinderella Project in mind because that's what every girl should feel like at graduation."

Bombshell Bath & Body products are subtly scented, never over-powering. Made in Canada with all natural ingredients, even those with the most sensitive skin are able to use this line.

Starlet is flirty, sexy and playful. A sweet mix of red berries, vanilla and spun sugar provide the base for this "got to have" Bath & Body trio.

"Bombshell products are for modern day pin-up girls or those who want to feel like one. Our latest collection provides all you need to pamper yourself and feel like a true starlet," states Elizabeth.
